

# MINISTER IS HANDS ON WITH PREPARATIONS FOR DSA 2016

On 18th of February, a press conference on DSA 2016 was held after the first briefing to the Minister of Defence. Over 50 members of the press were in attendance.

DSA 2016 1<sup>st</sup> Defence Attaches' Briefing was held on 22<sup>nd</sup> February at PWTC. 40 embassy representatives were present.

On 16<sup>th</sup> March, Dato' Seri Hishammuddin Tun Hussein and Datuk Wira Johari bin Baharum met up with a number of Senior Editors of the Media to share the progress and updates on DSA 2016.

1<sup>st</sup> AOs/LOs/PSOs Briefing  
12 March 2016

The first briefing for Accompanying Officers, Liaison Officers and Personal Security Officers were held on 17<sup>th</sup> March at PWTC.

# DSA 2016: A VERY IMPORTANT EVENT FOR MALAYSIA

Full Support From

**DATO' SRI MOHD NAJIB TUN RAZAK**  
Prime Minister of Malaysia

Events such as DSA not only place Malaysia on the global defence map; they provide a platform for ASEAN countries to foster greater cooperation and collaboration and establish its presence within the larger global defence community.

**DATO' SERI HISHAMMUDDIN TUN HUSSEIN**  
Minister of Defence, Malaysia

MINDEF is proud to support the upcoming DSA 2016 in the interest of further advancing our national defence capabilities, service sectors and strategic collaborations.

It is an honour to once again be given the opportunity to host one of the world's Top 5 International Defence and Security shows, and to welcome over 1,200 Exhibitors and 34,000 Visitors at DSA 2016.

**DATO' WIRA MOHD JOHARI BAHARUM**  
Deputy Minister of Defence  
Malaysia

The DSA series is a premier example of how the defence industry can result in economic spin-offs for the country.

Time and time again, the DSA series has proven to be successful in its efforts to elevate the defence and services sectors in Malaysia and the Region.

**DATO' SRI ABDUL RAHIM BIN MOHD RADZI**

Secretary General, Malaysian  
Ministry of Defence  
Co-Chairman of DSA 2016  
Organising Committee

DSA series plays a critical role in alleviating the country's technological level, as it showcases the latest and most innovative technologies, products and capabilities of defence and security companies from around the world.

**GENERAL TAN SRI DATO' SRI (DR.) HAJI ZULKIFELI BIN MOHD ZIN**

Chief of Defence Force  
Co-Chairman of DSA 2016  
Organising Committee

I look forward to once again exchanging knowledge and ideas while strengthening camaraderie with my military peers from across the globe. I am also certain that the event will provide a showcase of latest in military and law enforcement technology, which will further enable us to be well-equipped and one-step ahead of any threat that may come our way.

**TAN SRI DATO' SRI KHALID BIN ABU BAKAR**

Inspector  
- General of Police Malaysia

In addition to showcasing some of the most sophisticated crime prevention technologies and techniques, it is also a golden opportunity for us to meet and network with our counterparts in law enforcement, as well as exchange ideas and share best practises.

# VVIP PROGRAMME OF THE HIGHEST DEGREE

Malaysian Ministry of Defence (MINDEF) represented by top ranking officials teamed-up with DSA personnel to make personal visits to high-profiled officials from the Asian Countries to personally hand-over VIP invitations to visit DSA 2016.

## CHINA

Lt. Gen. Dato' Seri Panglima Haji Ahmad Hasbullah Haji Mohd Nawawi, Deputy Chief of Army during his visit to China.

## VIETNAM

During his visit to Vietnam, Lt. Gen. Dato' Seri Panglima Haji Ahmad Hasbullah Haji Mohd Nawawi, Deputy Chief of Army had 4 courtesy calls with top government officials including Maj. Gen. Tran Vat Tat, Director General of Foreign Relations Department.

## SINGAPORE

Army Field Command (West) personally delivered the invitations for VIP delegations during his courtesy call in Singapore.

## THAILAND

Lt. Gen. Dato' Sri Zulkiple Haji Kassim, Army Field Command (West) during his visit in neighbouring Thailand.

## INDONESIA

Lt. Gen. Datuk Mohd Zaki bin Mokhtar, Army Field Commander (East) concluded 6 courtesy calls during his visit to Indonesia. Among the top officials he met were General (Rtd) Ryamizard Ryacudu, Minister of Defence; the Chief of Army and the Chief of Navy.

## BRUNEI

Lt. Gen. Datuk Abdul Hadi, Director General of Military Intelligence during his courtesy calls in Brunei, met with H.E. First Admiral (Rtd) Dato' Seri Pahlawan Abdul Aziz bin Mohd Tamit, Deputy Minister of Defence; the Commander of Royal Brunei Land Forces and the Commander of Royal Brunei Air Force.

## PHILIPPINES

In the Philippines, Datuk Abdul Hadi was received by 3 government officials among them H.E. Voltaire T. Gazmin, Secretary of National Defense.

# VITAL FEATURES OF DSA 2016

## CHEMICAL BIOLOGICAL RADIOLOGICAL NUCLEAR EXPLOSIVES (CBRNe)

THEME: CBRNe PREPAREDNESS AND RESPONSE IN CIVIL MILITARY ENVIRONMENT

Since its inception at DSA 2008, this feature has grown from strength to strength which is reflected by the impressive number of Surgeon Generals from around the world who now have DSA firmly marked in their calendars as a must attend event. DSA must continue to evolve and reflect what is happening in the defence community and so DSA will continue to feature the CBRNe seminar with cooperation from Health Services Division of Malaysian Armed Forces.

For more information please contact:

Ms. Hashimah Hashim

Mobile: +6019 380 2714 • Email: hashimah@dsaexhibition.com

Sponsored By:

## CYBER SECURITY

THEME: CYBER SECURITY IN THE 21ST CENTURY - THREATS TO THE DEFENCE AND SECURITY SECTOR

Cyber Security has been under the spotlight for the past few years. It has captured much attention due to the increasing number of cybercrimes, constant media focus on such incidents and the extensive digitisation of most organisations.

The 1st Cyber Security conference in its series, held at DSA 2014 in Kuala Lumpur, addressed some of these issues. This conference, the second in its series, will bring together expert panel of speakers on Cyber Security from around the world to discuss the most recent trends, issues and challenges in the defence and security sectors. The conference will also present views from industry, government and academia on what measures could be taken to mitigate and manage cyber threats for a better and safer defence and security environment.

## HUMANITARIAN ASSISTANCE & DISASTER RELIEF CONFERENCE (HADR)

THEME: HADR - ADVANCES & APPLICATION OF TECHNOLOGY

HADR was first introduced at DSA 2014, spurred by the recent humanitarian disasters in Malaysia and in the Region that threaten personal and national security and safety.

This conference organised by Joint Force Headquarters will feature presentation from experts on Malaysian policy, as well as discussions with local and international corporate organisations on the latest technology development for HADR.

For more information please contact:

Ms. Husna Dzun Nurin

Mobile: +6012 201 6630 • Email: husna@dsaexhibition.com

## PUTRAJAYA FORUM

THEME: REGIONAL COOPERATION IN ADDRESSING SECURITY CHALLENGES

The Malaysian Institute of Defence and Security (MiDAS), Ministry of Defence Malaysia in collaboration with DSA 2016 will be presenting the forth Putrajaya Forum, held in conjunction of DSA 2016. This forum will involve Defence Ministers, Chiefs of Defence Force and Secretary Generals of the Defence Ministry of ASEAN + 8 member states, plus other participating nations.

For more information please contact:

Ms. Siti Salmiah Dimyati

Tel: +603 4027 4492 • Email: sitisalmiah@mod.gov.my

Ms. Mariamma Govindan

Tel: +603 4027 4477 • Email: mariamma@mod.gov.my

Mr. Kaharul Arifin bin Kahar

Tel: +603 4027 4477 • Email: kaharul@mod.gov.my

## MALAYSIAN DEFENCE & SECURITY HALL (MDaS HALL)

For the first time, DSA is introducing the Malaysian Defence & Security Hall (MDaS Hall) located at Hall 1M, Mezzanine level of Hall 1. MDaS Hall will consist of separate pavilions from various defence & security and Government agencies and local SMEs in areas like aerospace, maritime, automotive, weapons and ICT, among others.

Among the confirmed agencies that will be taking part are the Ministry of Defence, Department of Immigration, Royal Malaysia Police, Department of Prison, Royal Malaysian Customs, Department of Fire & Rescue and Malaysian Maritime Enforcement Agency.

Exhibitors who are interested to understand more on procurement procedures for these 12 to 15 Malaysian agencies are most welcomed to the MDaS Hall where you may even set-up meetings with relevant procurement officers from the respective agencies.

## DSA 2016 YOUTH PROGRAMME

To get more in-depth Youth involvement within DSA 2016, a programme has been formulated with the intention of providing these young people with more hands-on experience and exposure about the Defence & Security Industry. 500 youth are targeted to take part in this programme. The DSA 2016 Youth Programme is a joint collaboration between the Ministry of Defence, Ministry of Youth and Sports and Ministry of Higher Education.

The Programme will be segmented into 3 layers:

- DSA 2016 Volunteers
- DSA 2016 Guided Learning Tour
- DSA 2016 Conferences

Walk-In Visitors (who are eligible) are required to fill up the 'On-Site Registration' form and proceed to the On-Site Registration stations.

## VIP WELCOME RECEPTION

All VIP guests will alight at any of the VIP Entrances and are invited to proceed to the VIP Welcome Lounge for assistance. VIP Cars with Gold stickers will be directed to the reserved parking lots.

## SECURITY

The Royal Malaysia Police will take control of the security of the entire exhibition 24 hours a day. Scanning equipment manned by Police Officers will be placed at the entrances to ensure security throughout the exhibition.

# HOW TO GET TO DSA 2016?

## BY ROAD

### Via Self-Driven Vehicle

The parking capacity for PWTC and the surrounding areas are as follows :

Location	Parking bays
PWTC	750
Sunway Putra Mall	1,400
Hentian Putra	1,200
Total	3,350 available at any one time

### Via Taxi or Chauffeur-Driven Vehicle

Just notify the driver of the vehicle that the drop-off point will be at the PWTC Main Entrance (facing Hentian Putra Bus Station) or at the Entrance of Hall 1 (next to MIC Building).

## BY LIGHT RAIL TRANSIT (LRT)

Visitors are encouraged to use the myRapid train and exit at the "PWTC" Station which is located just 5-minutes walk from the centre. Visitors may also use the Kelana Jaya line by exiting at the Masjid Jamek Station; change to Sentul Timur.

## BY KTM COMMUTER TRAIN

Visitors may also opt to take the KTM Commuter train. Exit at the "Putra" Station which is just a 10-minutes walk to PWTC.

# HERE'S A PREVIEW OF SOME OF THE PRODUCTS W

## ADS GROUP LIMITED

ADS is the Premier UK Trade Organisation representing over 2,600 companies in the Aerospace, Defence, Security and Space sectors. ADS is proud to co-ordinate the UK Pavilion at DSA 2016.

## AIMPOINT AB

Aimpoint red dot sights combined with 3X or 6X magnifiers allow to switch from CQB to semi-sniping and back in a split second. Now available with Twistmount or Flipmount.

## AIRBOSS DEFENSE

AirBoss Defense, a world leader in CBRN personal protective equipment with an expertise to develop and produce the highest quality ergonomic products. AirBoss Defense offers The Ultimate Protection.

## AM GENERAL

A diversified, privately owned company that designs, engineers, manufactures, supplies and supports high-quality specialised vehicles for military and commercial customers worldwide with more than six decades of experience meeting the changing needs of the defence and automotive industries. Through its military business, the company is recognised as a world leader in design, engineering, manufacturing and support of Light Tactical Vehicles, having produced and sustained more than 300,000 vehicles for military and homeland security in over 60 countries.

## AIRBUS GROUP

Airbus Group is a global leader in aeronautics, space and related services. In 2014, the Group - comprising Airbus, Airbus Defence and Space and Airbus Helicopters - generated revenues of € 60.7 billion and employed a workforce of around 138,600.

## AMPAC HOLDINGS SDN BHD

Ampac is a diversified company involved in Distribution, Marketing & Sales of Military Supplies, Medical Equipment & Disposables, Personal Protection Equipment, Fire Protection System etc.

## ANDAIR AG

The Andair air raid shelter program offers a comprehensive range of ventilation components, e.g. gasfilters, blast valves, blast doors, gastight shut-off valves, NBC survivor, EMP protection and NBC filters.

## ANSELL PROTECTIVE SOLUTIONS SINGAPORE (APS)

Ansell Protective Solutions (APS) is one of the world's leading producers of protective clothing and related products. APS develops and manufactures chemical protective suits (Trellchem®) and dry diving suits (Viking).

**ARGE SICHERHEIT UND WIRTSCHAFT / AUSTRIAN DEFENCE & SECURITY INDUSTRY**  
Goal of the Austrian Defence & Security Industry Group is promoting and strengthening Austrian companies in the defence & security industries sector.

## ARMOR AUSTRALIA PTY LTD

A market leader in the design, test and manufacture of Armour Systems.

Including:

- Body armour
- Vehicle armour
- Maritime armour
- Aerospace armour
- Infrastructure protection

## ARNOLD DEFENSE

PROTECTING THE MODERN WARFIGHTER

## ARNOLD DEFENSE & ELECTRONICS

Arnold Defense is the world's largest manufacturer of 2.75 inch (70mm) lightweight rocket launchers, such as the LAU-61, LAU-68, LAU-131, LWL-12, M260, M261 and SUU-25 flare dispenser. We have protected war fighters for more than 50 years. Visit us today at Booth No. 203B to see a 7-Round M260 Rocket Launcher.

## AUSTRIAN EMBASSY - COMMERCIAL SECTION

The Austrian Pavilion is organised by ADVANTAGE AUSTRIA. 7 Austrian companies will present their services and high quality products. Please visit us in hall 3.

## AUSTRO ENGINE GMBH

Austro Engine develops and produces rotary and piston engines for GA and UAV. Skills from development to production, also in the area of electronics and electrics extend the portfolio.

AVP ENGINEERING (M) SDN BHD

## AVP ENGINEERING (M) SDN BHD

AVP Engineering (M) Sdn Bhd (AVPE) is a member to Malaysian Defence Industry. Our main business is a manufacturer, fabricator for specialised vehicles and equipment.

## BAE SYSTEMS

At BAE Systems we provide some of the world's most advanced defence, aerospace and security solutions. We are proud to continue to support the Malaysian Armed Forces and DSA exhibition.

## BARRETT COMMUNICATIONS

Since 1976, Barrett Communications have been the specialist designer and manufacturer of commercial and tactical HF and VHF radio communication systems to military, security and government organisations globally.

## BEIJING TONGYIZHONG SPECIALTY FIBER TECHNOLOGY & DEVELOPMENT CO LTD

BJTYZ is one of the earliest and largest manufacturers that specialises in bulletproof vest, helmet, plate and UD sheet for over 20 years.

## BEIJING WINYARN HIGH PERFORMANCE FIBER CO LTD

Winyarn is a manufacturer and global provider of bulletproof protection products which satisfy the NIJ standard including bulletproof vests, plate, cut-resistant clothing and we provide premium ballistic solutions.

## BIXOLON CO LTD

Global printing hardware manufacturer leading the way in mobile, mpos, pos, label & autoid.

# HIGH WILL BE DISPLAYED / PROMOTED AT DSA 2016

## BRAHMOS AEROSPACE

BrahMos Aerospace, an India-Russia JV company is responsible for designing, developing, producing and marketing BRAHMOS supersonic cruise missile which is a precision strike weapon for Army, Navy and Air Force.

## CETC INTERNATIONAL CO LTD

CETCI tailor-made electronic information and total solution; leadership in the field of electronics and information system integration.

## CHINA NATIONAL PRECISION MACHINERY IMPORT AND EXPORT CORPORATION (CPMIEC)

With motto of "based-on China Aerospace, focused on military trade, oriented for multi-sector management, pursuit of coordinated development", CPMIEC pursues high prestige, reliable performance, superior quality and high efficiency.

## COMBINED SYSTEMS

Combined Systems Inc (CSI) is a U.S based firm that supports military forces and law enforcement agencies around the world. CSI is a premier engineering, manufacturing and supply company of tactical munitions and crowd control devices to armed forces, law enforcement, corrections and homeland security agencies.

## COMPOSITE ENGINEERING (CE)

Composite Engineering Inc provides high-performance aerial targets and tactical UAV's. CE's unmanned systems are meeting needs of the U.S. Department of Defense and allied nations around the world.

## CONTRAVES ADVANCED DEVICES SDN BHD

The Contraves Simulator Programme offers a structured method of increasing competence in maritime training aspects through the use of advanced assessment systems. Simulator training isolates areas requiring improvement and supports the development of "tailor-made" exercises.

## CRISTANINI S.P.A.

CRISTANINI is a global leader in the research and production of solutions for CBRN emergencies. It excels through innovative, modular and multi-functional CBRN decontamination solutions for Defence and Civil Protection.

## CRYPTO LTD

Founded in 1952, Swiss-based Crypto AG is an international leader and the partner for government authorities from over 130 countries for total information security and integrated expertise for exclusive security.

## CT-VIDEO GMBH

CT-Video GmbH develops, manufactures and distributes mobile wireless solutions for video, audio and data communication. Our Core Competencies are mobile wireless solutions for video, audio and data communication via digital transmission methods, camera technology, including both wireless and wired control systems, recording technology, integration of new technologies (e.g. LTE and network technology) into complex systems as well as power supply components suitable for mobile operations.

## CURTISS-WRIGHT

The Turret Drive Servo System (TDSS) provides a choice of standard configurations with a clear upgrade path from a manually operated system to a TDSS with excellent stabilisation.

## CAE

CAE is a global leader in the delivery of training for the civil aviation, defence and security, and healthcare markets. We design and integrate the industry's most comprehensive training solutions.

## CAMART SDN BHD

CQR-LEAD Presents "Video + Radar Synchronisation Surveillance System". "CLMF-5K is a combination system with Hybrid camera".

## CCO CREATIVE CONSULTING GMBH

The objectives of the German Security & Defence industry include the concentrated presentation in a national pavilion. The Federal Government and the Ministry of Defence politically support this joint presentation.

## DRB-HICOM DEFENCE TECHNOLOGIES SDN BHD (DEFTECH)

DEFTECH continues to dominate and become a force in soft-skinned and armoured land vehicular platforms. At the same time, DEFTECH enters into a new domain of aerospace, unmanned systems, systems integration and composite technologies, towards strengthening the Armed Forces while affirming DEFTECH's role as the leader in the Nation's defence industry.

#### D'AQUARIAN (M) SON BHD (DASB)

DASB offers a wide range of marine engine consultancy and services which include installation, refurbishment, servicing and preventive maintenance such as Deutz Engine, Kelvin Hughes Radar and Communication.

#### DEFENCE EXPORT PROMOTION ORGANIZATION (DEPO)

DEPO is a national platform to support defence production sector through facilitation, coordination and promotion through Defence Exhibition at Karachi, Pakistan and participating in International Exhibitions.

#### DENEL SOC LTO

Denel is a world leader in artillery, engineering and integration capabilities, offering advanced combat systems, ammunition, missiles, UAVs, aircraft MRO, aircraft structures, mine action and contraband detection and testing facilities.

#### DESCHAMPS

Founded in 1860, Deschamps is the leader in tactical mobility. During DSA, we will display our Mobi-Mat® (Helipad™; Traction Mat™, Tent Floor™) and FCR™ our metallic matting. These ground reinforcement systems can be displayed by Deschamps Dispensers.

#### DESTINI BERHAD

As an integrated engineering solutions provider, Destini Berhad provides expertise within the aviation and marine defence sectors with an emphasis on MRO and the supply of safety and survival equipment.

#### DEWETRON GMBH

DEWETRON measurement instruments are perfect for complex validation tests required in aerospace, defence and military applications. The rugged units meet all kinds of mechanical, electrical and power generation test requirements.

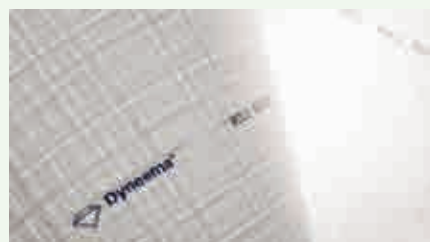

#### DIEHL DEFENCE HOLDING

Missiles and ammunition for armies, air forces and navies, ground-based air defence systems, new: laser-guided sidewinder, precision guided artillery ammunition.

#### DRII WATAN SON BHD

New era of AR15 platform. Steyr STM556 caliber 5.56Nato. Multi length of barrel and exchangeable. One unit upper receiver and hand guard. Visit us to see the details.

#### DSM DYNEEMA APAC

Dyneema® is a proven and indispensable material of choice with an unmatched strength-to-weight ratio for designing/manufacturing soft/hard ballistic armour in vest/helmets/ballistic inserts and vehicle armour for land/air/sea.

#### DUPONT CHINA LIMITED

For 50 years, DuPont™ Kevlar® is lightweight, durable and extraordinarily strong. Best known for ballistic and stab-resistant protection, Kevlar® continues to evolve, protect the protectors, allow heroes to be heroes.

#### DYNAMIC C4 PTE LTO

Dynamic C4 provides leading edge signal acquisition and data recording solutions. Our solutions are ideal for Radar, SDR and EW kind of applications.

#### EDARAN 4X4 AKSESSORIES SON BHD

A one-stop Bumiputra 4x4 Equipment Centre that serves the Government and the private sectors for years by offering professional advice and international well-known quality equipment.

#### EID S.A.

State-of-the-art defence communications systems for excellent performance. EID designs, manufactures and supplies advanced high performance equipment and systems, mainly for the worldwide defence community. Please visit us at Booth No. 1035.

#### EMBROIDERY EXPORT

We are manufacturers & exporters of Uniform Accessories.

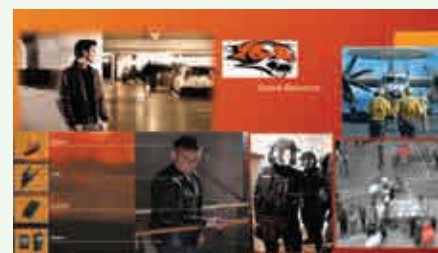

#### EUPU A.S.

TURRA 30 is a remote controlled turret which is designed to be integrated on various types of wheeled or tracked armoured vehicle.

#### EXPLORER CASES BY GT LINE

Waterproof cases for extreme applications in medical and military fields. Ideal to transport sensitive equipment. The new standard to protect from dust and humidity. DefStan81-41 Lev.J, Stanag4280, IP67 certifications. Made-in-Italy.

#### EZUMA RESOURCES

We specialise in Defence, Law Enforcement and Rescue Equipment, Communication Equipment, Forensics and Security Systems. We also provide Management and Consultancy to our clients domestically and internationally.

#### FAUN TRACKWAY

FAUN TRACKWAY portable roadways and airfield surfaces provide access and protect environments. Our products are effective in extreme environmental conditions. We are the leading provider to over 35 militaries.

#### FN HERSTAL

The FN MINIMI, the most deployed light machine gun worldwide, is available in both 5.56 x 45mm and 7.62 x 51mm calibers. The Mk3 configuration, recently introduced, meets all requirements of the modern soldier.

#### FRATELLI TANFOGLIO / NESTARI RESOURCES SON BHD

Fratelli Tanfoglio S.N.C. is an Italian gun manufacturing company. Tanfoglio's current weapons are used extensively in sports competitions and for personal defence. Tanfoglio is known for its broad sports pistol catalogue.

#### FREQUENTIS AG

Frequentis is an international supplier of communications and information systems for control centres with safety-critical tasks.

#### GENERAL DYNAMICS MISSION SYSTEMS

The HOOK2® CSAR radio is a reliable field-proven, global, cost-effective solution that takes the guesswork out of Combat Search and Rescue missions when time is of the essence and luck is not a strategy.

#### GESAB SA

GESAB offers solutions for the conceptualisation, engineering and design of integrated projects for critical 24x7 environments. We are specialists in Control Rooms and Command Centers, Data Centers and Audiovisual Solutions.

#### GLOBAL HAWK TECHNOLOGY SDN BHD

Innovative & Professional Design Center, Manufacturer and Great Supply Chain for thermal & UV imaging cameras. Supplying infrared, night vision, gas infrared cameras, thermal imaging cores, corona cameras, etc.

#### GLOCK GMBH

The new GLOCK 43 slimline model in caliber 9x19 features the GLOCK advantages and engineering quality in ultraconcealable dimensions!

#### GOLDEN SEASON PTE LTD

Tactical Combat Casualty Care and Rescue Equipment by North American Rescue, LLC and Golden Season Pte Ltd at Booth No. 1296!

#### H&N RIKA SDN BHD

We are your premium choice for authentic and trusted tactical equipment and apparels.

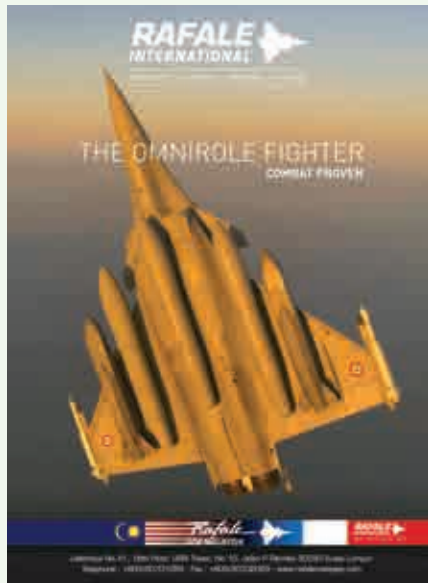

#### HARRIS CORPORATION

Harris advanced technology solutions deliver powerful, integrated communications networks that adapt to rapidly changing mission needs - ensuring forces are always connected, always informed and always protected.

#### HEAVY INDUSTRY TAXILA (HIT)

HIT is engaged in manufacturing, rebuilding, upgrading and development of tanks, tank guns, APCs, a wide range of security vehicles (including discrete armouring) and Bullet Proof Jackets/Vests/Helmets.

#### HELIPARTNER SDN BHD

Helipartner Sdn Bhd represents the Rafale International consortium, composed of three major French aerospace manufacturers, Dassault Aviation, Snecma and Thales Airborne Systems.

## > PRODUCT FEATURES <

#### HESCO GROUP

HESCO® force protection barrier systems create perimeter walls, checkpoints, elevated watchtowers and safe haven bunkers. HESCO ballistic resistant body plates are engineered to be thinner and lighter, enabling flexible mobility.

#### INSTALAZA, S.A.

INSTALAZA S.A., is a leading company that applies the highest technology to design, develop and manufacture its defence material, with the aim of offering the Infantry the most effective solutions.

#### INZPIRE LTD

Inzpire provides rotary, fixed wing and UAS operational training both in synthetic and live environments, and produce Mission Systems that provide next generation capability for pilots and the dismounted soldier.

#### IROBOT CORPORATION

iRobot's Defence & Security family of unmanned ground vehicles are modular, easy-to-use, adaptable to application and user preferences, and meet or exceed the expanding needs of operators in all uniforms.

#### JAKEL TRADING SDN BHD

Jakel Group has been the largest textile retailer and achieved status as leader in manufactured fabrics. We also diversify our products such as lightweight BALLISTIC HELMET and NVLS MINIMUS Nightvision.

#### KARCHER FUTURETECH GMBH

Karcher Futuretech GmbH offers solution in the following product categories: Water Supply Systems, Mobile Catering Systems, Field Camp Systems and CBRN Protection Systems.

#### KATADYN PRODUKTE LTD

KATADYN, a world leader for portable drinking water presents the unique Aquifer mobile desalination equipment for military and emergency applications producing more than 1,300 liters/day based on solar power.

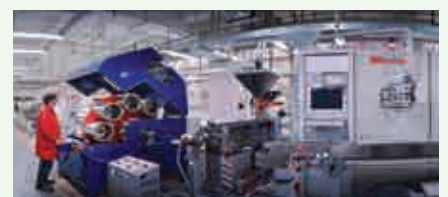

#### KELVIN HUGHES LTD

Kelvin Hughes Ltd is a world leader in the development, manufacture and supply of maritime navigation, surveillance and security radar systems.

#### KEMBARA SUCI SDN BHD (CHASERI)

Protect your vehicle and crew against invisible threat.

#### KEYOPTICS (GUANGZHOU) CO LTD

Dedicated to serve our customers by developing and supplying the highest quality optical cables. Our products have been widely used in Military, Telecom, CATV, Subway, Security and Structured Cabling Systems.

### KONGSBERG DEFENCE & AEROSPACE AS

KONGSBERG is an international technology corporation offering defence and aerospace-related systems such as command and control systems, remotely controlled weapons control systems, weapons guidance and surveillance, tactical communications and missiles.

### Korea Defense Industry Association

#### KOREA DEFENSE INDUSTRY ASSOCIATION (KDIA)

Korea Defense Industry Association (KDIA), established in 1976 has been playing an important role for development, cooperation and harmonisation of the defence industries by strengthening its competitiveness, facilitating export, participating in research, and supporting common interests. Companies participating in DSA 2016 alongside KDIA are the likes of Bolyung Engineering, Poongsan Corporation, Daewoo Shipbuilding & Marine Engineering, S&T Motiv, Yeonhab Precision, Soosung Defense Industries, DoDAAM Systems, Utech Corporation, HKC, Erap Korea, Metanetworks, Suntech, Vogo, Dong In Optical, Naviworks, SanCheong, Ground Co., EO System, Focus Optec, Dasan Machineries, Jino Motors, Sunghan Corporation, Komaco and DaeKwang Chemical Corporation.

#### L-3 TRL TECHNOLOGY

L-3 is a leading provider of a broad range of communication and electronic systems, national security solutions and products used on military and commercial platforms.

#### LISTERA CORP SDN BHD (LCSB)

LCSB has partnered with CPE (Finland)/ DSM Dyneema to produce the lightest bulletproof vest in Malaysia for the global market. Internationally certified, our products are battle tested and combat proven.

#### LMT - LEWIS MACHINE & TOOL CO

LMT® manufactures M4 type carbines, 7.62 x 51 DMR carbines/rifles and M203 grenade launchers. LMT® is 100% US made and ISO 9001:2008 registered US Government GSA approved contractor.

#### LOCKHEED MARTIN

Headquartered in Bethesda, Maryland, Lockheed Martin is a global security and aerospace company that - with the addition of Sikorsky - employs approximately 126,000 people worldwide and is principally engaged in the research, design, development, manufacturing, integration and sustainment of advanced technology systems, products and services.

#### LUERSSSEN MARINE TECHNOLOGY PTE LTD

The German shipyard LÜRSSEN, is internationally known for sophisticated Navy Vessels and Mega Yachts and has supplied many Navies with Fast Attack Crafts, Corvettes, Offshore Patrol Vessels, Frigates and Minehunters.

#### MABEY BRIDGE

Mabey Bridge provides rapid-build, pre-engineered, high quality steel modular panel bridges, which have been installed in more than 140 countries worldwide. The Mabey Logistic Support Bridge is the modern, lighter and stronger successor to the Bailey Bridge. It has been adopted by NATO as its Line of Communication Bridging system and by many Armed Forces around the globe. It is an essential military capability equally suitable for use in civilian emergency or disaster relief situations.

#### MAN Diesel & Turbo

#### MAN DIESEL & TURBO FRANCE SAS

MAN Diesel & Turbo is the world's leading provider of large-bore diesel and gas engines and turbomachinery for marine and stationary applications. Customers receive worldwide after-sales services under "MAN PrimeServ".

#### MBDA

MBDA is a world leading missile systems company with comprehensive product range designed to meet the land, naval and airborne guided weapon system requirements of each of the armed forces. MBDA is jointly owned by AIRBUS GROUP (37.5%), BAE SYSTEMS (37.5%) and FINMECCANICA (25%).

#### MKU PUT

Instavest G6 is a lightweight quick release body armour with ultra lightweight rifle protection insert. MUKUT is an advanced boltfree helmet with low trauma technology & modular pads.

#### MODULAR DRIVEN TECHNOLOGY CORP

Modular Driven Technologies (MDT) produces quality accessories for Sniper Rifles. Mainly MDT's chassis systems (stock replacements) add modularity and increase accuracy up to 28%.

#### MRI TECHNOLOGIES MALAYSIA SDN BHD

MRI supplies RHIB Boats, Outboard Motor and other Marine Systems for Boats. Also capable in technical support services for the marine equipment. A pioneer in GOCOM concept for boats and OBM.

#### MUHIBBAH ENGINEERING (M) BHD

Muhibbah Engineering (M) Bhd is a leader in Construction, Engineering and Shipbuilding. Muhibbah has built Military Facilities and Naval Base. Muhibbah is presently Constructing Special Military Operation Crafts.

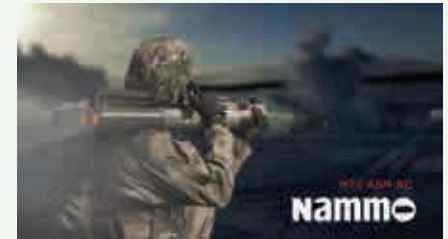

#### MULTI-RESQ RESOURCES

Magnum presents the Spartan XTB with 360° stitched Vibram outsoles. This Cross Terrain Boot is primarily a jungle boot that meets the EN20347 occupational footwear standards for urban use.

#### N-VISION OPTICS

N-Vision Optics provides combat proven night vision and thermal imaging products to Military and Security users around the world. New for 2016: TC35/50 Clip-on thermal weapon sight, available for demo at Booth No. 6016.

#### NAMMO AS

Nammo is a leading international technology group specialising in high performance defence and space solutions. Nammo is driven by precision engineering and dedication to safeguarding the environment.

#### NEC MALAYSIA SDN BHD

NEC Malaysia Sdn Bhd is a total solutions provider for a comprehensive range of NEC's IT, networking and telecommunications, public safety, energy management and display technologies in Malaysia. By combining NEC's and other third-party hardware and software to deliver a competitive edge to its clients, NEC Corp Malaysia also provides a wide range of systems integration solutions, business process analysis and system design, technical expertise, implementation and training, and support services through its NECare Support Center that provides comprehensive services nationwide, 24/7. Visit us at: <http://my.nec.com/>

#### NEWCON OPTIK

Newcon Optik, a world-leader in the design and manufacturing of precision electro-optics, has introduced SPOTTER LRF, a unique combination of a spotting scope and an eye-safe 3km laser rangefinder.

#### NIMR

NIMR is a major manufacturer of light and medium weight wheeled military vehicles. Based-in the UAE, NIMR vehicles are in service with Armed Forces across the MENA region.

#### NONLETHAL TECHNOLOGIES

NonLethal Technologies manufactures a wide range of non-lethal riot and crowd control equipment for military and law enforcement applications, as well as colour and screening smoke grenades.

#### NOVATECH RESOURCES PTE LTD

Get 2 in 1 visit! Come to Novatech Resources, Hall 3, Booth No. 3233 for the latest Tactical Medical Solutions and Field Essentials which include the RED Fixed Blade by Bastinelli.

#### NUMIX ENGINEERING SDN BHD

The iNetVu FLY-1201 1.2m Antenna System is a highly portable, self-pointing, auto-acquire unit that comes complete with the iNetVu 7024 controller and can be assembled in less than 15 minutes by one person. iNetVu FLY-1201 is a suitable product for SNG, Military & Exploration.

#### OPTOKON AS

OPTOKON A.S. is a leading global producer and supplier of premium active and passive fiber optic components specialising in fully tested integrated data network, FTTx and tactical military solutions.

#### PACIFIC CONSOLIDATED INC (PCI)

PCI is a leading manufacturer of on-site gaseous (low & high pressure) and cryogenic portable nitrogen & oxygen generation equipment for Military, Medical and Business Aviation applications.

#### PAKISTAN AERONAUTICAL COMPLEX

Super Mushshak is light-weighted, robust, two/three seat aircraft with fixed landing gear. Developed to meet FAR Part 23 certification, can operate from short unprepared strip and operation independent of ground equipment.

#### PAKISTAN ORDNANCE FACTORIES

Pakistan Ordnance Factory (POF) is the largest defence industrial complex producing a wide range of conventional arms and ammunitions according to international standards. The precision and reliability of POF's have led to the creation of growing demand in the international market.

#### PARKER VILLAGE MARINE

For over 30 years, Parker Village Marine (VMT) has developed innovative water desalination & purification systems for some of the most challenging environments - the middle of the ocean, 800 feet below the sea, offshore oilrigs, deserts and disaster areas.

#### PEARSON ENGINEERING LTD

Pearson Engineering is a world-leading provider of Counter-Mine, Counter-IED, Route Proving, Combat Earth Moving and Assault Bridge Launching equipment for Armoured Fighting Vehicles. Products are provided as interchangeable vehicle attachments.

## > PRODUCT FEATURES <

#### PEPPERBALL

Called "VKS", for Variable Kinetic Speed, the new system is a breakthrough in versatility, providing multi-mission capability and variable payloads in a single M4 styled platform.

#### PLATH AG

MACOS provides a fast, detailed and comprehensive picture of the Electro Magnetic Situation (EMS) as a vital element of all naval operations and the self-protection by combining RADAR and COMMS ESM.

#### RADIOBARRIER

#### POLUS-ST5 LLC

RADIOBARRIER Autonomous Perimeter Security System is a battery operated wireless system with unrivaled detection capabilities, autonomous operation, and a stand-alone operational time exceeding all other industry products by years.

#### PYSER-SGI (ASIA) PTE LTD

Available with High Definition 640 x 480 thermal sensor, the FUZIR in both variants will be available for demonstration every day from 18 - 21 April on Pyser Booth No. 3000 where the benefits, advantages and optimum applications can be discussed.

#### QIBLATIN

Qiblatin Synergy Sdn Bhd (QSSB) is currently active in Government contracts - principally in Defence and Security - plus associated support. It is focusing on growth in these sectors, whilst seriously evaluating opportunities to expand into commercial sectors. The Company acts as Consultant, Trading House or Commission Sales Agent, and is equally effective in any of these roles.

#### QINETIQ LTD

QinetiQ uses its world class knowledge, research and innovation to provide high-end technical expertise and advice to customers in the global aerospace, defence and security markets.

#### QIoptiq

Qioptiq, an Excelitas Technologies Company, designs and manufactures innovative infra-red (Thermal), image intensified and fused night vision weapon and surveillance sights supplying MoDs for more than four decades.

#### QUATTRO ALLIANCE SDN BHD

Bringing you smart technology to help you rescue, stay safe and survive.

#### RAYTHEON ANSCHUTZ GMBH

Raytheon Anschuetz together with their Malaysian Representatives ME&O Fleet Support are presenting the new combined Navigation and Command and Control (C2) solution SYNTACS for patrolboats for Navy and Coastguard use.

#### RENK FRANCE

The Powerpack 350S by RENK France is the most advanced mobility solution for the PT-91M which includes a powerful Scania engine (1090hp), as it enhances the availability and sustainability of the fleet.

#### RIGAKU ANALYTICAL DEVICES

Experience the power of Progeny ResQ 1064nm handheld Raman chemical threat identification system. Expands on-site detection, overcomes fluorescence interference issues, cost effective and easy-to-use. Visit us at DSA Booth No. F3023 and our website: [www.rigakuanalytical.com/progeny](http://www.rigakuanalytical.com/progeny).

#### RSI TECHNIK SDN BHD

R&S® NavICS, a next generation fully VoIP-based switching solutions is Rohde & Schwarz's latest product, designed to provide voice connections for internal and external communications onboard all types of ships.

#### SAAB AB

Saab serves the global market with world-leading products, services and solutions from military defence to civil security. Through innovative thinking, Saab develops and improves technology to meet customers' changing needs.

#### SABRE BALLISTICS

Provider of custom, comprehensive ballistic and impact testing solutions for defence and security including design, engineering, qualification, training and support. We provide 'turnkey' solutions that conform to global quality standards.

#### SAFE TACTIC BU / EUROCLASS SHOPPE (M) SDN BHD

Tactical & Rescue High Angle Access Operations: Remote, Urban, Industrial and Maritime. Products & Packages based built on many years of field experience. Feature all necessary products, training & procedures.

#### SAIL LABS TECHNOLOGY GMBH

SAIL LABS will be showing the suite of OSINT (Open Source Intelligence) solutions which include systems for Media Mining, Social Media Monitoring and various training courses.

#### SAPURA

Sapura is a home grown mission critical technology innovator and service provider in the areas of secured information and communications. Our focus is to provide mission planning, monitoring and control in defence, homeland security, law enforcement and commercial domains. We offer end-to-end solutions to customers ranging from connectivity, applications, platforms, sensors and seamless security.

#### SEA

SEA develops and delivers Maritime Combat Solutions, Communication Systems and Immersive Training Systems to locations across the globe. Our solutions provide independence, agility, reliability and value for money.

#### SIG SAUER INC

Sig Sauer Inc is a systems provider leading the industry in innovation, ingenuity and manufacturing. We are the brand of choice among many of the world's most elite military, government and law enforcement units.

#### SME ORDNANCE SDN BHD

SME Ordnance, a pioneer and leading company in the Malaysian defence industry, is a wholly-owned subsidiary of National Aerospace & Defence Industries Sdn Bhd (NADI).

#### SRC INC

SRC is a not-for-profit research and development company and SRCtec is its high-tech manufacturing and life cycle management subsidiary. Together, they are redefining possible with unique, next-generation solutions of national significance in defence, environment and intelligence.

#### SSZ CAMOUFLAGE TECHNOLOGY AG

The lightweight multi-spectral Sniper Suit has been developed specially for snipers and recon troops. It offers very high efficiency in terms of visual and thermal signature reduction.

#### STEYR MANNLICHER GMBH

World renowned producer of high quality small arms for over 150 years. Products: Assault rifles, sniper rifles, UBGL, pistols.

#### STRATEGIC ARMORY CORPS

#### STRATEGIC ARMORY CORPS

Strategic Armory Corps was formed with the goal of providing a one-stop solution in the firearms and ammunition industry. Armalite, NEXUS Ammunition, Surgeon Rifles, AWC Silencers and McMillan Firearms.

#### STREAMLIGHT INC

Streamlight's TLR series continues to grow, adding several TLR-6 models designed for subcompact hand guns. This pistol light features both a white LED at 100 lumens and a red aiming laser.

#### SWAT FOOTWEAR (M) SDN BHD

Original S.W.A.T. boots are the best selling tactical boots in Malaysia. We are proud to present another branding which is Altama. These are mainly Berry-compliant, made in the USA boots.

#### TENCATE ADVANCED ARMOUR

#### TENCATE ADVANCE ARMOUR

TenCate Advanced Armour solutions have proved their worth in conflict zones, security operations and policing duties all around the world. Our solutions are lightweight so it only adds a minimum of weight, thus providing a maximum of protection with only minimal reduction in manoeuvrability.

#### TERAJU TRI TECH SDN BHD

We've been triggered by the latest state-of-the-art technologies, monitoring the ocean and up to the cloud. The space surveillance putting us beyond horizon across the seven seas.

#### TEXTRON SYSTEMS

Textron Systems' develop and integrate products, services and support for defence and aerospace customers, as well as civil and commercial customers including those in law enforcement, security, border patrol and critical infrastructure protection.

# THALES

## THALES

Thales is a global technology leader for the Aerospace, Transport, Defence and Security markets. With 61,000 employees in 56 countries, Thales reported sales of €13 billion in 2014. With over 20,000 engineers and researchers, Thales has a unique capability to design and deploy equipment, systems and services to meet the most complex security requirements. Its unique international footprint allows it to work closely with its customers all over the world.

### THE WILL-BURT COMPANY

Will-Burt's Stiletto™ HD high performance composite telescoping mast features high strength, low weight, great stability and low nested height. This mast is used worldwide for persistent surveillance and communication.

### THERMOTENIX SYSTEMS LIMITED

FuseIR - 40° FOV Fused Night Vision device, ClipIR clip-on Thermal Imager for Image Intensifiers. Also - TiCAM thermal imaging binoculars / monoculars and MicroCAM 3 low-power shock-resistant Thermal Imaging modules.

### TRENFIRST ENTERPRISE SDN BHD

Commemorative coins are awarded to some particular event or person with most prestige recognition. Such coins have a distinct design with reference to the occasion on which they were issued.

### TYRON RUNFLAT LTD

The ultimate range of runflats and wheels from the UK. See the world's only multi-piece rubber runflat with beadlock which can be fitted in the field WITHOUT any special tools.

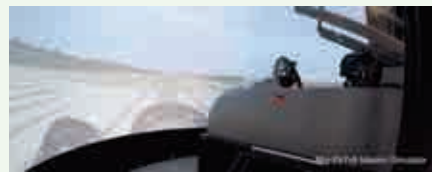

### UNIVERSAL AVIONICS SYSTEMS CORPORATION

Gain confidence, security and safety on every flight using the latest advancements in satellite-based navigation from Universal Avionics SBAS-capable Flight Management Systems.

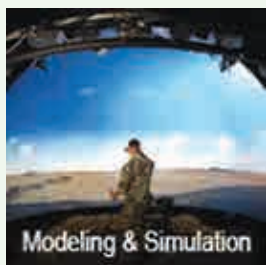

### UTILIS

For more than 20 years, UTILIS patented rapid deploy tactical shelters has been field-proven worldwide and gained recognition with armies, civil protection organisations, rescue forces, relief and first aid organisations.

### VIRTUAL REALITY MEDIA A.S.

Virtual Reality Media provides complex turnkey solution for simulation and training systems. Our Air and Land Simulation vary from desktop trainers all the way up to Full Flight/Full Mission Simulators.

### VITROCISSET SPA

Vitrociset is an Italian company operating in high technology, systems integration, ICT and delivery of integrated logistics support systems. Vitrociset operates in Defence, Homeland Security, Space & Transport, Government & Industries business areas.

## > PRODUCT FEATURES <

### WELLTON (M) SDN BHD

Wellton has been manufacturing steel ammunition boxes since 1974. All boxes are designed for transportability, stackability, durability and water tightness to ensure it is fit for use in any condition.

### WESTSTAR DEFENCE INDUSTRIES SDN BHD

Setting the defence industry in motion, Weststar Defence Industries will showcase its line up of military vehicles and apparatus at DSA 2016 located at Booth No. 1016, Hall 1, PWTC.

### WFEL LIMITED

WFEL has supplied over 600 dual-use bridging systems to 42 armed forces over four decades. These rapidly-installed, reusable, mobile bridges are used in military and disaster relief applications worldwide.

### WILLING A.S.

WILLING is a traditional company in business with military equipment. Main activities: cooperation on projects for re-lifting of diagnostic equipment for testing of airborne armaments; repairs and re-lifting of missiles.

### WUXI FUCARE INDUSTRIAL CO LTD

FUCARE develops and manufactures high-performance blast protection products for HVAC systems including rapid blast valves and rapid blast dampers with approximate 100% of impulse block rate.

### WUXI HONGYUAN DPFLEX CO LTD

DPFLEX is one-stop shock/vibration/noise control solution provider. We've been active in defence and other related industries for more than two decades. Ferghana Inc (Singapore) is our regional center in Southeast Asia.

### ZEN TECHNOLOGIES LIMITED

Zen Combat Training Centre (Zen CTC) is a one-stop training solution for Army and Special Forces. It is a stand-alone facility that houses latest training simulator for specialised training.

### ZHEJIANG LIGHT TOUGH COMPOSITE MATERIALS CO LTD

Zhejiang Light-Tough Composite Materials Co Ltd is a China leading manufacturer of body armour products, including bulletproof plates, bulletproof vests, ballistic helmets and ballistic shields.

### ZYXEL COMMUNICATIONS CORPORATION

ZyXEL Group started in the business of network communications equipment. Recently, we have expanded into RF-field to include broadband maritime radar and military communications as well as wired, wireless and satellite.

## HOW TO VISIT?

DSA 2016 IS STRICTLY NOT OPEN TO THE GENERAL PUBLIC.

### Admission Rules

- ▶ Government Defence Security Personnel, Defence & Security Industry Professionals & Executives and other specially invited guests.
- ▶ The Visitor Ticket does not imply authority of entry.
- ▶ Proof of qualification is required at the entrance.
- ▶ Dress code: Working uniforms / business attire.
- ▶ No weapons permitted.
- ▶ General public and minors below 16 will not be permitted entry.

## PRE-REGISTRATION IS OPEN!

There Are Two Ways To Pre-Register:

### 1. PRE-REGISTRATION ON-LINE (via DSA 2016 website)

Log-on to [www.dsaexhibition.com](http://www.dsaexhibition.com)

Click on "Visitor Pre-registration Form", fill up the e-form and submit!

### 2. PRE-REGISTRATION VIA FAX

Fill up the enclosed Pre-registration Form and fax it to: +603-4043 7241 or Post it to:

Marketing Communications Department - DSA 2016 (Pre-registration Form)  
DSA Exhibition And Conference Sdn Bhd  
Suite 1401, 14th Floor, Plaza Permata, Jalan Kampar  
Off Jalan Tun Razak, 50400 Kuala Lumpur

For both methods, you must receive a confirmation letter containing your unique pre-registration number (either via email or fax). Your pre-registration will not be complete if you do not produce this number at the pre-registration counters during the show. Please also ensure that you fill up all questions on the form, otherwise your pre-registration cannot be guaranteed.

Pre-registration deadline is **11 April 2016**.

There will be two entrances to access DSA 2016:

1. Entrance A (West Wing), PWTC (Opposite Hentian Putra Bus Station).
2. Entrance B (East Wing), PWTC (Next to MIC Building, Jalan Rahmat).

For more information or assistance, please call : **+603-4041 0311** or email: [enquiry@dsaexhibition.com](mailto:enquiry@dsaexhibition.com)
