Malaysia's DSA and NATSEC Asia exhibitions deferred to March 2022

The Defence Services Asia 2020 (DSA 2020) and National Security Asia 2020 (NATSEC Asia 2020) defence and security exhibitions initially set to be held from 20 to 23 April in Kuala Lumpur, Malaysia, have been deferred by almost two years to 28–31 March 2022, according to a 12 May announcement by the organisers.

“Initially slated for April 2020 at the Malaysia International Trade and Exhibition Centre (MITEC), the mega events were postponed to [24–27] August following the Covid-19 [coronavirus] outbreak. As the crisis escalated, it was deemed in the best interest of all parties involved to defer the event [further] to early 2022,” said the organisers, which include DSA Exhibition & Conference, Malaysia’s Ministry of Defence, the Ministry of Home Affairs, and the Malaysian Armed Forces.
