

FOR IMMEDIATE RELEASE

MILITARY MEDICINE UPDATES AT MMMC 2021

Kuala Lumpur, 5 April 2021 - Battlefield Healthcare which encompasses the importance of Humanitarian Assistance and Disaster Relief (HADR), one of the key components in emergency response and preparedness, was highlighted at the 3rd Malaysian Military Medicine Conference 2021 held at Wisma Perwira ATM in Kuala Lumpur today.

With the theme, 'Fitness, Wellness & Readiness – Winning the Battle for a Healthy and Ready Force' the conference organised by the Malaysian Armed Forces Health Services Division, the two-day event was officiated by Gen Tan Sri Dato' Sri Affendi Buang, the Chief of Defence Force and has attracted over 280 participants comprising military and non-military personnel.

DSA Exhibition & Conference Sdn Bhd, a key exhibitor at MMMC, will be featuring a focus segment Battlefield Healthcare during next year's Defence Services Asia (DSA) 2022 in Kuala Lumpur. While visiting the DSA booth, Gen Tan Sri Dato' Sri Affendi Buang said the Battlefield Healthcare segment continues to attract a growing number of participations from the international and regional defence community, and he is looking forward to the upcoming session at DSA 2022.

"I am certain that DSA 2022 will facilitate the sharing and exchange of knowledge and best practices in the healthcare field, for the benefit of both civilian and military communities in the region as well as elevate the standard of health care and health services on the battlefield," said Gen Tan Sri Dato' Sri Affendi Buang.

Defence Services Asia (DSA) 2022 and NATSEC Asia 2022 will be held from 28-31 March 2022 at the Malaysian International Trade and Exhibition Centre (MITEC) in Kuala Lumpur. Over 1,500 participating companies from 60 countries, 33 international group pavilions, 350 VIP delegations from 45 countries, some 50,000 trade visitors as well as 380 media personnel across the world are expected to converge for Asia's largest defence and security exhibition.

The two events are an integral platform to encourage foreign technology exchange and partnerships as well as enhance cooperation to strengthen national defence and security. Apart from Battlefield Healthcare, other focussed segments include Cyber Defence & Security and Unmanned System symposium.

DSA 2022 and NATSEC Asia 2022 are hosted, supported and co-organised by the Malaysian Ministry of Defence (MINDEF) and Ministry of Home Affairs. For further information, visit www.dsaexhibition.com
