THE PINNACLE OF GLOBAL DEFENCE AND SECURITY EVENTS

Following the resounding success of the 2024 edition, DSA and NATSEC Asia are poised to make an even greater impact in 2026. Returning to Kuala Lumpur, this premier event will once again be held at the Malaysian International Trade and Exhibition Centre (MITEC) from 20-23 April 2026, bringing together the most influential personality in defence and homeland security.

Building on the record-breaking achievements of 2024, where RM 9.5 billion worth of Memorandums of Understanding (MOUs) and Contracts were signed by the Ministry of Defence and the Ministry of Home Affairs, DSA and NATSEC Asia have solidified their status a premier event in the industry. The previous edition attracted an unprecedented 1,324 companies from 60 countries and 588 foreign VVIP delegations from 45 nations, setting a new benchmark for international participation.

Looking ahead, DSA and NATSEC Asia 2026 will feature an expanded exhibition space, pioneering technology showcases, and high-level conferences addressing the most pressing challenges in defence and homeland security. As a cornerstone event, the 2026 edition will continue to foster impactful discussions and partnerships, showcasing the latest in technology, strategy, and thought leadership to shape the future of the industry.

FACTSHEET AT A GLANCE

“

DSA and NATSEC Asia represent useful platforms for the defence and security industries of participating countries to share insights and forge fruitful collaborations. These can be catalyst for economic growth, knowledge transfer, entrepreneurship, and innovation.

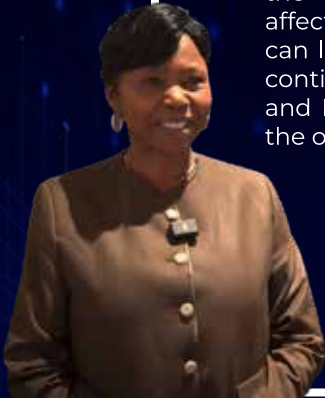

On behalf of the Malaysian government, I express my appreciation and congratulations to the organisers for bringing DSA and NATSEC Asia to fruition. I wholeheartedly welcome all delegates and participants. Let us embrace a future built on collaboration, shared knowledge and collective growth.

MINISTER OF DEFENCE
ZIMBABWE

This has been a successful event. It started with a small number of almost 600. Now it is grown to 1,500. It goes to show people have trust and faith in the exhibition and people have confidence in the technology which is at display and the topics that are being discussed affects many people and this is where we can learn a lot and I do hope that I will continue coming. This is the first time and I am impressed and I congratulate the organisers.

**MAJOR GENERAL JASON

REP CHIEF OF DEFENCE
FORCE AUSTRALIA

The event showcases impressive international collaboration, with Team Defence Australia drawing interest for its innovative SMEs. There's strong engagement with other nations' industries, including outstanding Malaysian companies. The mix of keynote addresses, national security forums, and the exhibition effectively brings industry and defence together. Well done to DSA for facilitating this.

EXHIBITOR INSIGHTS AND FEEDBACK

The growth that DSA has experienced over the last 2, 3 seasons has been tremendous. The number of participants has grown definitely exponentially and we are very happy to meet our partners here and it is great facility that has been here so keep doing the good job that you are doing.

STEPAN SKOREPA
HEAD OF M&LE SALES APAC
COLT CZ GROUP

DSA is a huge platform, a lot of delegations from across the world especially from the lower part of the Pacific region come here. When you look at other exhibitions from this region, DSA is the one which attracts most of the crowd and that is why we want to have a bigger booth and make sure we are present in DSA.

ADIRAJ SOOD
